The 4th International Conference on Engineering, Physics, MEMS-Biosensors and Applications (ICEBA2024)

*Ho Chi Minh City and Vinh Long Province, Vietnam
November 10, 11 & 12, 2024*

INVITATION LETTER

Dear all professors, researchers and graduate students,

On behalf of Program Committee, we would like to invite you to contribute an Oral presentation/ Poster Presentation at ***“the 5th International Conference on Engineering, Physics, MEMS-Biosensors and Applications”*** (ICEBA2024), which co-organized by VNUHCM-University of Science, Tohoku University (Japan) and Mien Tay Construction University will be held at Ho Chi Minh City and Vinh Long Province (Mekong Delta area) Vietnam in November 10, 11 and 12, 2024.

The purpose of ICEBA2024 is to link the researchers and scientists from Vietnam, US, European countries, Australia and Asian countries in the field of Engineering, Physics, Microelectronics, Semiconductors, MEMS-biosensors and their applications in biomedical engineering, health sciences, hi-tech agriculture, and smart cities. Besides, we also contribute to promoting international cooperation activities on joint research projects and international co-publications. ICEBA2024 will have 6 parallel sessions and poster session.

More information, please see the website: <https://phys.hcmus.edu.vn/ICEBA2024/#/>

We would like to invite you and your colleagues to attend our research presentations and have useful discussions in ICEBA2024.

Please kindly send us your registration and abstract (as the template) to the conference email 5iceba2023@gmail.com or [easychair](https://www.easychair.org) before June 10th, 2024.

Sincerely Yours,

Chair, Program Committee of ICEBA2024

Assoc. Prof. Dr. Huynh Van TUAN

Dean, Faculty of Physics and Engineering Physics
