November 10,11&12, 2024

## INVITATION LETTER

**Dear Professors, Researchers, and Graduate students,**

On behalf of the Program Committee, we cordially invite you to contribute an Oral presentation/ Poster Presentation at ***“the 5<sup>th</sup> International Conference on Engineering, Physics, MEMS-Biosensors and Applications”*** (ICEBA2024). This event is co-organized by VNUHCM-University of Science, Tohoku University (Japan) and Mien Tay Construction University. It will be held at Ho Chi Minh City and Vinh Long Province (Mekong delta area) Vietnam in November 11-12, 2024.

The purpose of ICEBA2024 is to link the researchers and scientists from Vietnam, the US, European countries, Australia, and Asian countries within the field of Engineering, Physics, Microelectronics, Semiconductors, MEMS-biosensors and their applications in mechanical, biomedical engineering, health sciences, hi-tech agriculture, civil and geology engineering, and smart cities. Additionally, we also aim to promote international cooperation activities on joint research projects and international co-publications.

The ICEBA2024 will feature parallel and a poster sessions. We extend this invitation to you and your colleagues to attend our research presentations and engage in meaningful discussions at ICEBA2024. Please send your registration and abstract to our EasyChair submission link: <https://easychair.org/conferences/?conf=5thiceba2024>.
